*****SOLD BY TEAM KARAKA*****

This is a fantastic first home or great investment and certainly a property to be inspected. The family have out grown this home and have decided it's time to sell and move on to their next venture and have reduced the price for a quick sale. The home has so much to offer with plenty of room to add extra parking spaces(dlug or carports) swimming pool, boat or if you simply need extra room for the extra toys, then this property will suffice. Located within walking distance to child care centres, doctors surgery, bus, train station, all major amenities plus easy access to motorways. If you're looking for a sound investment this property will bring a rental return of \$330:00 to \$350:00 plus per week.

A copy of the sustainability forms will be available on-site to be viewed.
