Welcome to the Star

UPON COMPLETION THE STAR GOLD COAST WILL BE THE LARGEST INTEGRATED RESORT DEVELOPMENT IN THE SOUTHERN HEMISPHERE

The mega masterplan would see The Star Gold Coast boast more tourism accommodation than any other resort in Australia. At around 3000 hotel rooms and apartments, it would also exceed what the world-renowned Marina Bay Sands in Singapore offers, and be on a scale similar to the largest integrated resorts in Las Vegas.

Simply put, The Star Gold Coast will have something for everyone and offer an unparalleled resort lifestyle. Everything in the resort is built to offer residents the highest quality: from the retail to the restaurants and bars, and the pools to the event spaces and, don't forget, Broadbeach is just a stroll away.

Epsilon (Tower 2 Broadbeach Island) residents will have the ability to access a multitude of onsite luxury hotel services* including:

- ? Valet parking
- ? Package deliveries
- ? Day spa services
- ? In-room massage
